A Memo from the Mayor, Nanette Konishi

Welcome to Rosalia's newly designed newsletter! The plan is to have a bi-weekly, or monthly newsletter. We are still working out the details. In the meantime, we are mailing out the first edition to all Rosalia residents. We want to hear back from you: what you like, what you don't like, what information you want, and how you would like to receive your issue? Do you prefer email- snail mail-, or go to the town website for your copy? We want it make it easy for you.

We will be sharing Rosalia news, keeping you posted about projects, council news, up-coming events, and whatever you/we consider interesting and important about our community. For now, as you can see here, we are getting things done.
