## A Memo from Mayor, Nanette Konishi

Battle Days was a great success! Thank you all who planned and executed the day. Thank you all who attended, participated, and enjoyed the festivities. Thank you, Mother Nature, for cooperating with great weather! So now, graduation is over. Congratulations 2017 grads. The town entry signs will be a lasting tribute to your creative talents and your commitment to your community. School is out and the pool will be open soon. Please watch out for our smaller citizens as they travel to their activities this season. Kids, be sure to wear your bike helmets, and remember your bike traffic rules. We don't want anyone to get hurt!

## The Importance of a Well Maintained Infrastructure and How That Benefits You

Council, Mayor and town employees have the responsibility to provide the essential infrastructure for safe drinking water and safe waste removal and treatment for our citizens. It is our job to make sure our citizens have a safe and healthy environment for living and working. We have been working diligently to keep our aging and failing infrastructure working safely, and have, for the most part, been very successful with that goal. As we look to the future, we consider the importance of taking a pro-active stand for replacing that infrastructure in the most efficient and cost-effective way possible. We are working along with our engineers and all the potential funding entities and agencies to plan, apply for, and make the most of all funds that are available to us to make upgrades, replacements and improvements. This is the down and dirty work your leaders are tasked with to provide a better Rosalia for our future, and the most important part citizens play is to be informed, understand the vital importance of providing a safe and long lasting infrastructure for the near and more distant future. For the next few years, beginning this summer with the South Whitman Street project, there will be detours, temporary street closures and other possible short-term inconveniences. We will do our best to keep everyone informed and updated as we progress. We will also get as much information on the town website for you to follow as we can. For now, stay tuned...

# Willy Wonka Kids

The play was a HUGE success!  
Congrats to Collin Pittmann and the entire cast and crew on an amazing performance.

- Syringes
- Un-numbered Plastic
- Lids
- Batteries
- Electronics
- Sharp Metal
- Coated and laminated paper

### Mosquitoes!!!

It's that time of year again. We will be spraying once a week to start, and then as needed after that. Since we have our own sprayer, we can schedule spraying as needed. There

was a brief reminder on the local television station Monday, reminding us that this is the perfect weather for mosquitoes, warming up after a lot of rain and snow melt, providing lots of moisture. They reminded us that there is yet another infection spread by mosquitoes - mostly in the northeast states at this point.

Please check your property for standing water (old tires, etc., that can collect water). These are good areas for hatching mosquitoes. We will be posting signs downtown as to what days we will spray, and add the information to the newsletter as well.

Thanks for you continued cooperation.

### Need Recycling?

Town of Rosalia Recycling Center is located right next to the City Shop.  
Call City Hall for questions

### Yard Cake

- |                        |                   |
|------------------------|-------------------|
| 1 1/2 Cups Raisins     | 2 Cups Water      |
| 1/2 Cup Lard or Crisco | 1 Cup Sugar       |
| 1 Egg                  | 1 tsp Nutmeg      |
| 1 Tsp Cinnamon         | 1 tsp Cinnamon    |
| 1/2 Tsp Cloves         | 2 tsp Soda        |
| 1 tbs Molasses         | 1/2 cup Hot Water |
| 2 Cups Flour           |                   |

1. Simmer raisins in 2 cups water for 15 min.
2. Cream shortening, sugar, egg and spices.
3. Mix soda, molasses, and water.
4. Mix together in order given. Batter will be thin.
5. Bake in greased 9 x 13 pan @ 350 for 30-40 min.
6. Frost with brown sugar frosting, or top with butter and eat like coffee cake.
